

CREDIT TOWARD GRADUATION FROM HIGH SCHOOL  
FOR COURSES TAKEN THROUGH THE NEVADA SYSTEM OF HIGHER EDUCATION

**Strategic Imperative(s):** Academic Excellence

**Focus Area(s):** Academic Growth

Nevada Revised Statute 389.160 requires approval of courses for which high school credit is granted from both the Board of School Trustees of each county school district and the State Board of Education. Courses to be considered for high school dual credit are noted below. These courses are in addition to courses previously approved by the Board of School Trustees.

If these courses are not approved for high school dual credit, students concurrently enrolled in these classes will not earn high school credit.
